

AUTHORS DAY WITH "UNCLE MIKE"

Barnes & Noble called him **"One of the best storytellers in Texas."** An author's day with "Uncle Mike" WILL NOT be your typical authors' day. His presentations are done with pure excitement and love. After a visit from "Uncle Mike" children ALWAYS want to be Doobetterdees.

Michael takes a personal approach to EACH class. His visit will last the entire day. Each class will have *their* own story time with the author. The presentations for each class last approximately 30 minutes. A little less for the younger group and maybe a few minutes more for the higher grades. We have found that this set up works the best. However, we are willing to work within YOUR schedule.

The suggested fee for a full day ranges from \$400-\$1,500 per day. Please check with us for an exact price. We are willing to work with ANY budget. We do not want any children to miss visiting with "Uncle Mike" because of money. Please communicate with us in regards to the fee issue. We have books and t-shirts available for sale. If enough are sold, your day could be FREE. Please check with us in regards to this.

To make an authors day special, weeks of preparation must be put into his visit. You can check with us for ideas on how to make this day even more special for the kids. Parents and family members are always encouraged to attend. We look forward to hearing from you. Have a Doobetter Day.
